

Round 3: The Music Round

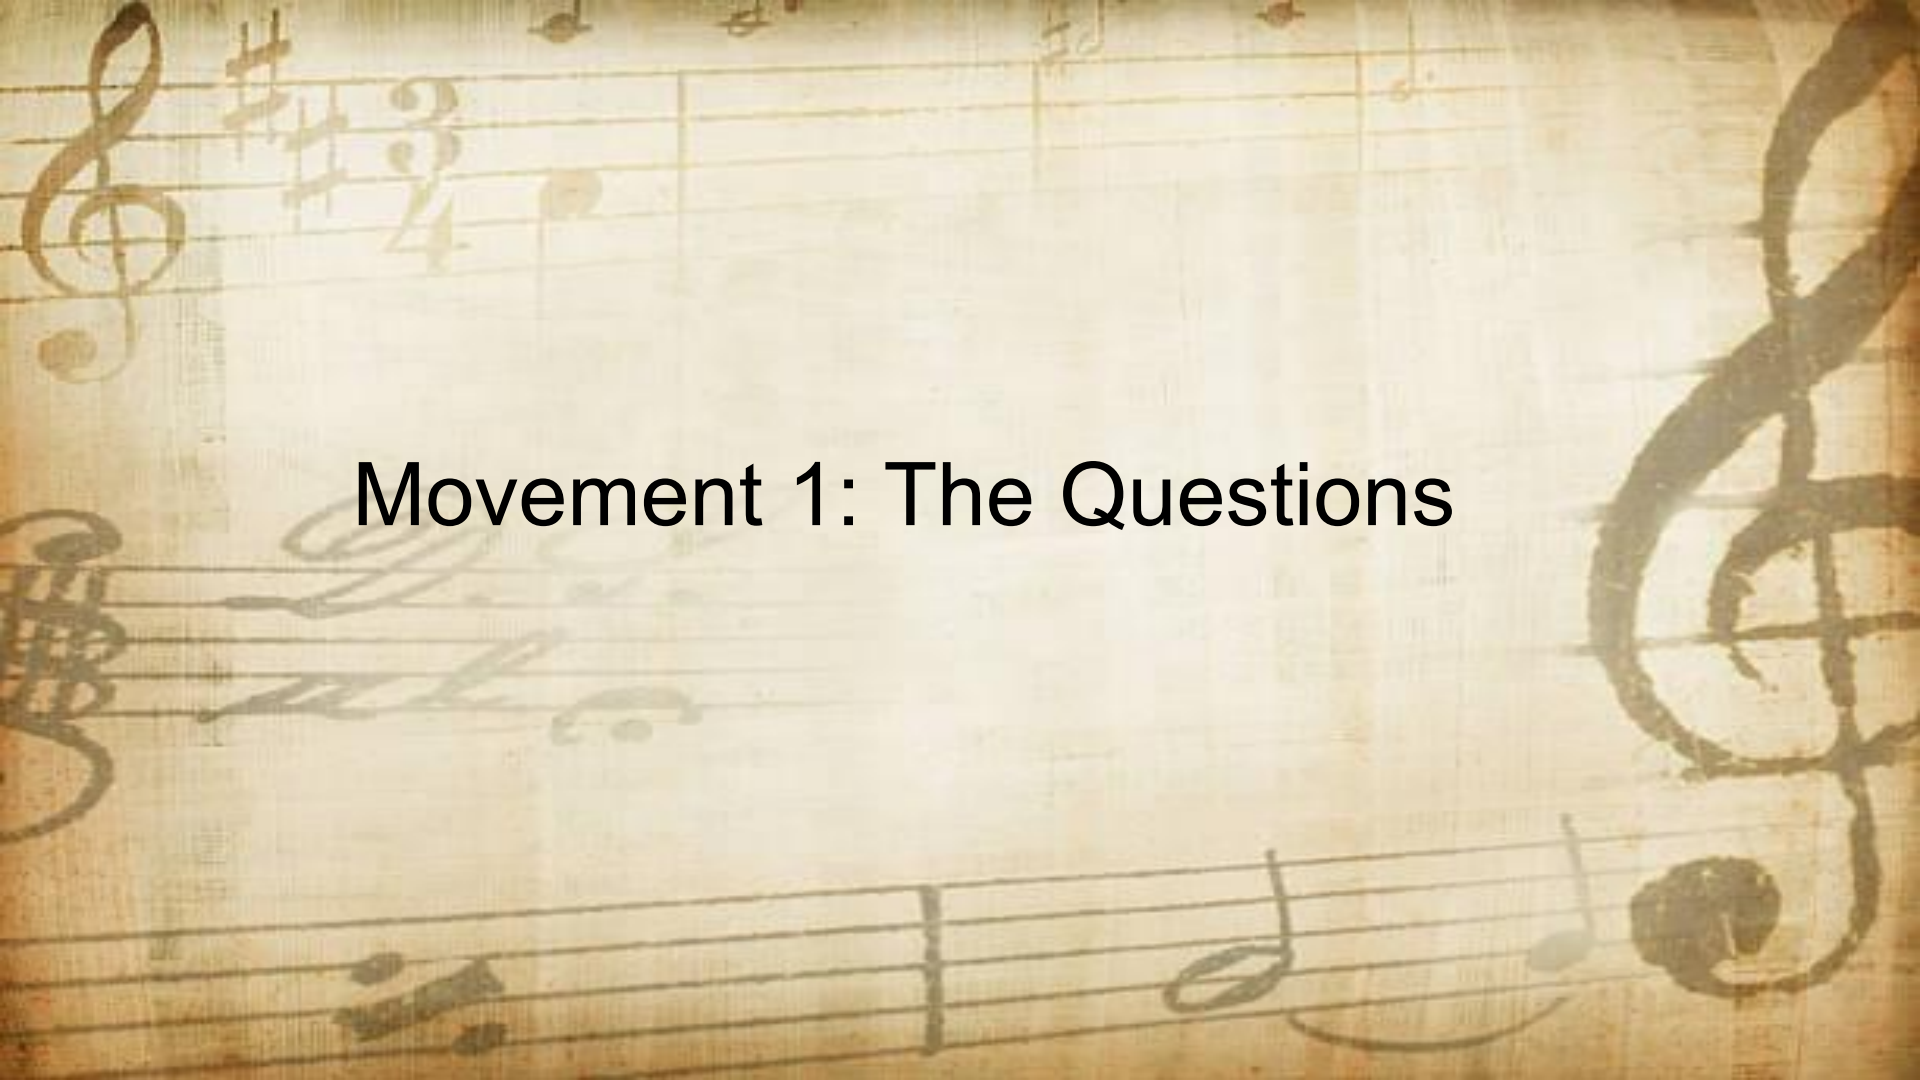

A terrible sequel to the last quiz...

The background of the slide is a warm, yellowish-brown color with a faint, artistic pattern of musical staves and notes. The staves are horizontal lines, and the notes are stylized, some appearing as large, dark, swirling shapes and others as smaller, more defined musical symbols. The overall effect is that of a vintage or hand-drawn musical manuscript.

Composers Notes:

- For each question, I will give you a lyric from one of spotify's top 100 most streamed songs of all time.
- All you have to do is pick the correct title and artist from the options provided.
- Except... as a call back to the quiz in September, I've translated each lyric with google translate about 20-100 times to "slightly" change the words
