

Round 1: Biggest Movies of the last year

"AI is neither good nor evil. It's a tool. It's a technology for us to use."

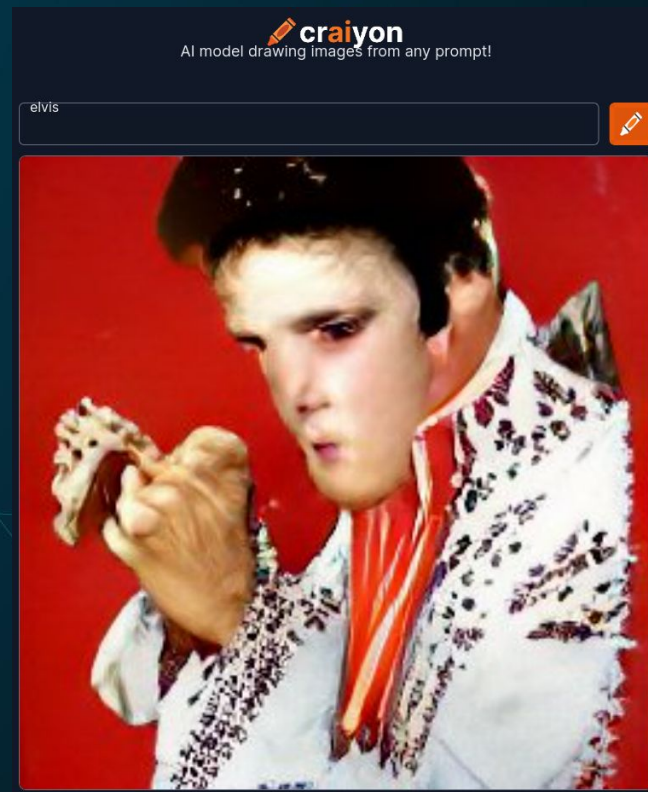

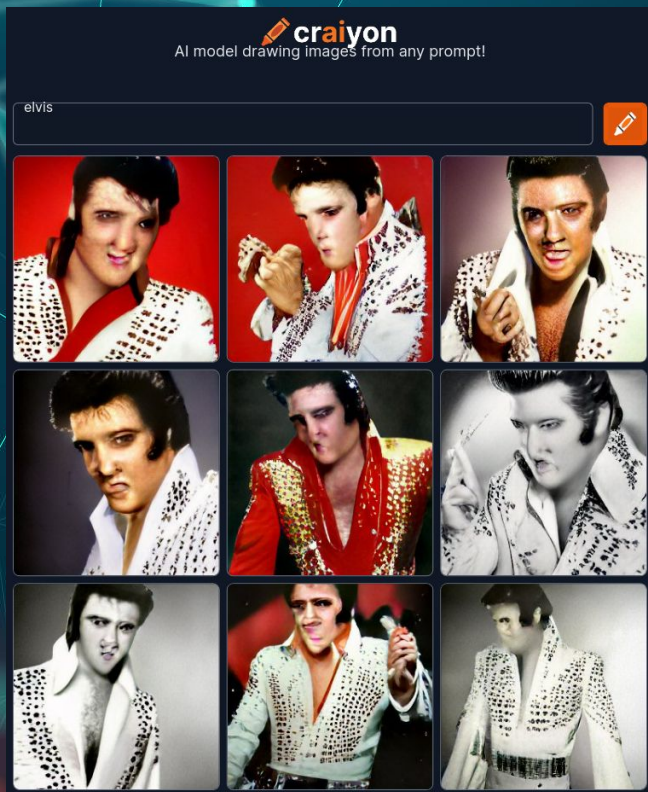

Instructions

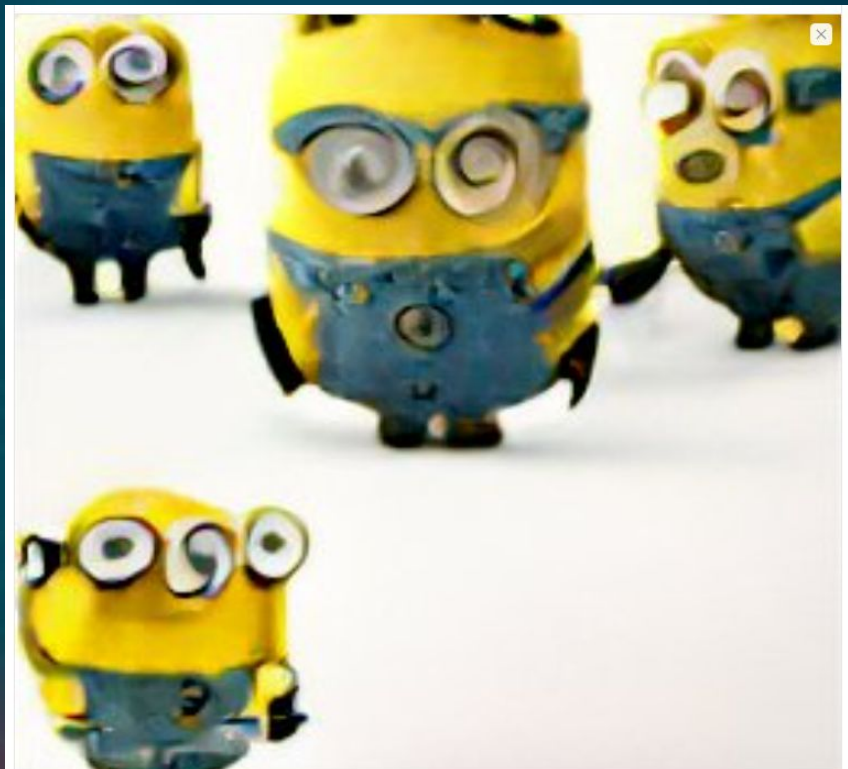

- This round is all about the films with the most box office sales in the last 12 months* according to boxofficemojo.
- For each question I have taken the name of one of the top 25 films and gave it to Craiyon/Dall-E mini, an AI model which generates images from a text prompt.
- For the point, all you need to do is write down the name of the film I used to create the image.
- Exact titles only

*Not all of the films here are from 2022, so watch out

Example - "Elvis" (2022)
